

Chris Bowles

Animation, Design, Storyboards & Stuff

Character animation for television, web and feature film.

About

Chris graduated in 2004 and has spent his time since animating across the UK and France. He enjoys a bit of diversity in his work, and works well at home and in the studio.

When not working, Chris likes foreign travel, hiking in the countryside, playing pub quizzes, doing crosswords and indulging in some creative pursuits away from the computer.

At the time of writing, Chris is 30 and lives in Bristol.
